

Winter 2017/18 Portland Snow Ban Parking

(St. John Valley, Parkside, West End,
and Western Promenade Neighbors)

-Guidelines for community use at Maine Medical Center-

Maine Medical Center partners with our community to recover from major snow events by keeping miles of sidewalks perpetually plowed and shoveled. In addition, when the City of Portland declares a Snow Parking Ban, we are here for our neighbors with parking assistance at the following facility:

887 Congress Street: Forest Street entrance to the Medical Office Building garage.

- Gates will be raised after 6:00pm on snow ban days

Hours: Due to the patterns of patient flow in the hospital, the hours that we offer community parking during the announced City of Portland Snow Parking Bans are

- **6:00pm until 6:00am** Monday through Friday
- **6:00pm until 8:00am** Saturdays and Sundays

****Note:** Vehicles that are not moved out of this garage by the applicable time each morning are subject to towing at the owner's expense.
